Salary Assignments

Salary loans are not encouraged by this company, because the risk on this class of business is high and consequently the rate of interest is higher than on any other kind of security. If you have no other security and must have ready money we can accommodate you with a salary loan, but we do not recommend it. Such loans can only be made to those not in Government employ, as Uncle Sam does not recognize a salary assignment.

We charge very low rates on furniture and plane loans.
